

Projektkurzname

Die Hinterlegung eines Kurznamens dient der besseren Orientierung in der Multiprojektlandkarte

The screenshot displays the PROPLAN software interface for creating a new project. The top navigation bar includes 'PROPLAN', search, and user settings. The left sidebar shows a navigation menu with 'Jira Projekt anlegen' selected. The main area shows the 'PROJEKTDATEN BASIC' form. The 'Kurznamen' field is highlighted with a callout box stating: 'Eingabe des Kurznamens für jeweiliges Projekt'.
